Two faiths, one joyous mission

How refreshing it's been reading about all the churches, restaurants and various organizations that have served meals to the less fortunate and needy in Manatee County during this holiday season.

One sterling example is the congregation from Ner Tamid. Their volunteers served Christmas dinner (ham and all the trimmings) to more than 250 clients at Our Daily Bread soup kitchen on Christmas Day — a synagogue taking time to serve a Christian mission, two faiths serving one purpose in the joy of giving.

What an inspiration! Is this not a true example of caring for one another?

Happy Holidays to all.
